

Scottish Student Cross Country National Squad Selection Policy 24-25

The SSS teams (men's and women's squads) that will compete at the scottishathletics Inter District Cross Country Championships on Saturday 11th January 2025 are selected as follows:

- φ 15 students per team
- φ 12 best-placed runners at the Scottish Student Cross Country Championships are automatically selected and offered a place in the squad to represent the student team
- φ Should one of these 12 best-placed finishers be unable to compete at Inter-Districts, their space is allocated to the next best finisher from our championships event
- φ 3 places are offered at the discretion of Scottish Student Sport, taking into account an athlete's current form and performance across the season
- φ SSS team tends to get first choice of students, over the East, West and North teams but please note a student can represent both SSS and their district if selected for both

For any queries on the above, please let Sean Berthelsen, SSS Competitions Assistant, aware at the earliest opportunity on sean@scottishstudentsport.com or 07738056620.

scottishathletics Inter District Cross Country Championships 2025

- The event will take place on Saturday 11th January 2025 at Alexandra Park, Glasgow
