Site Map:

***Please note, we will not have toilets, and there will also be an ambulance, timing truck and Gazebo at the start/ finish Line**

Registration: Registration will be open from 1100 to 1300 (Women's registration closes at 1200 and Men's closes at 1300) in the Sports Hub Building. Please have only team captains register their team members and inform the registration team of anyone no longer participating. All entries were taken online before the event, so we won't accept any entries on the day.

Equipment: Spikes are recommended! Chip timing will be in operation, so please read the instructions below:

The Timing Chips clip to your shoe (see the picture across). Please pass the clip under 2 or 3 laces and close the clip firmly. You MUST return the chip at the Finish, or you will not receive a race time and will be fined £5 to cover the cost.

The Timing truck will be located at the start/finish line to capture all athletes coming through the checkpoints.

Medals and Ceremony: Medals will be presented to the top 3 athletes in both the men's and women's races. Medals will also be awarded to the top 3 male and female teams. An institution's team will consist of its first 4 athletes at home.

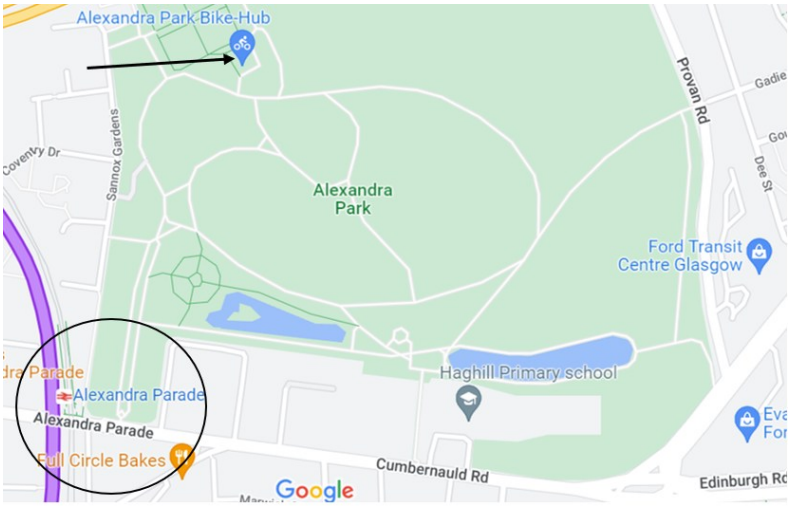

Please note that SSS has a medal policy requiring all medals to be 'won' to be awarded. Example - There must be a minimum of four competitors in a category in order to award a bronze medal. If there are only three competitors in a category, there has not been a competition to 'win' the Bronze; therefore, only Gold and Silver medals will be awarded

The ceremonies will take place immediately after each race, to prevent crowding. Results will be accessible online via KITST timing – the link will be released in due course.

Withdrawal Policy: If you no longer intend to participate, please contact the event organiser as soon as possible. The SSS-Event-Terms-and-Conditions-Aug-2025.pdf were agreed to upon entry and includes information on the SSS Refund Policy.

How To Get There: Due to limited parking facilities, we are encouraging as many people as possible to take public transport to the event;

- Alexandra Parade train station is right next to the park, with regular trains from Queen Street station. From this station (in the black circle on the map below), it is a 5-minute walk North up Sannox Gardens on the East side of the park to the sports hub (black arrow on map).
- Buses 38, 38A, 38B and 38C take you from Queen Street station (city centre) to Alexandra Park in 10-15 minutes, also dropping you off on Edinburgh Road at the bottom of Sannox Gardens (black circle on map).

Parking:
Unfortunately, there will be no official parking at the event. We are NOT allowing competitors to park at the Sports Hub Building. They should, instead, park on **Blochairn Road** (near fruit market, G21 2DU), then it is a short walk over the footbridge to the sports hub in Alexandra park.

Cars and belongings are left at participants' own risk, and SSS do not hold any responsibility for issues incurred by the parking choices of participants. Wherever vehicles are parked, SS Cross Country requests that you respect the local area and check any parking restrictions before leaving your car. Please do not park in residential areas, as these are allocated spaces for residents only.

Facilities at Venue: Only a few toilets will be available in the Sports Hub Building, so athletes are asked not to change there and prevent others from using the facility. There will be no food available for competitors at the venue (only for volunteers and marshals) so athletes are advised to bring their own food and drinks.

Medical Provision: Redcrest Emergency Medical Services will support the event on the day. They will be present with a fully equipped emergency ambulance as a base, along with two medical staff members.

Marshals will be present on the course and will have radios to ensure any incidents are reported and medical help can be provided as soon as possible. A medical ambulance will be located at the Start/ Finish Line.

Club Tents: Club tents should be located on the bowling green space in front of the Sports Hub Building, marked on the site map.

A gazebo, a tracking trailer and an ambulance will be based at the start and finish lines.

Rules and Regulations: We will follow Scottish Athletics guidelines.

Questions: Please direct all questions to Chris Purdie (details can be found above).

Social Media: We love hearing about your experiences at our events, so please tag us @ScotStuSport on Facebook, Twitter, and Instagram! Please also use the hashtag: *#ScotStuCrossCountry.*

Photography: If there is a photographer at the event, we will share the photos on our Facebook page – so make sure you like it to get the updates!
